MOERLINA SCHOOL

STRATEGIC PLAN

2024 - 2027

OUR LEARNING CULTURE

An enriched approach
to the delivery of a
mainstream curriculum
with academic rigor

AND

A focus on teacher
professional learning
that makes a real
difference to student
outcomes.

INVESTING IN OUR FUTURE

Sound strategic and
operational oversight
that secures the School
for future generations

OUR SCHOOL COMMUNITY

A vibrant and connected
school community as
custodians of the school

OUR CHILDREN

A respectful, creative
and engaging learning
environment where
every child is valued,
has agency and can
thrive.

MOERLINA SCHOOL

A place where children can be themselves, learn and be their best

MOERLINA SCHOOL

STRATEGIC PLAN

2024 - 2027

Our Purpose:

A place where children can be themselves, learn and be their best

	Our Children	Our Learning Culture	Investing in Our Future	Our School Community
Our Goals	To provide a respectful, creative and engaging learning environment where every child is valued, has agency and	To offer an enriched approach to the delivery of a mainstream curriculum with academic rigor and A focus on teacher professional learning that makes a real difference to student outcomes.	To operate under sound strategic and management oversight that secures the School for future generations.	To build a vibrant and connected school community as custodians of the school
Our Objectives	To create a safe, supportive and nurturing learning environment, building responsibility, accountability and resilience	To measure the progress of students' general capabilities using recognised competency metrics. To deliver a deep and purposeful curriculum, encouraging the child to explore their strengths and passions To develop a detailed staffing model across all programs and leadership roles To maintain a dynamic framework that supports teacher personal and professional growth To explicitly define the School's culture (values, beliefs, attitudes, and rules) To embrace an understanding that learning happens everywhere – inside, outside and beyond the gate	To extend the formal governance framework to incorporate sound policies and practices To establish a financial framework to support long term planning To build a sustainable pipeline of students into the early years (PG, Kindy, PP) To establish a sustainable and well supported fundraising program that can be used to fund school improvements, student scholarships and prizes in perpetuity To embrace a continuous improvement focus	To develop more effective and productive engagement with the school community To enhance the collaborative relationship between staff and parents that strives to achieve the best outcomes for our children To establish a cohesive and prominent street presence and school grounds that are functionally and aesthetically fit- for- purpose
